Bearing Fruit

Over eight years ago I wore a "**Jesus Loves You**" Jewish star t-shirt to the Kroger. A Jewish **WOMAN** said she liked my shirt. I asked if she knew what it said inside (she was squinting and only saw the Jewish star), and she asked what it said. I told her, "Jesus Loves You"! She said, "Oh"! Nevertheless, I continued to reach out to her and eventually she prayed with me to receive Jesus! She moved out of Atlanta, but we still keep in touch. Her **DAUGHTER** is already a believer and takes her to church. We have been praying for her **SON** to come to faith for over eight years. Her son recently began visiting their **CHURCH**. The woman was recently baptized and her son prayed to receive Jesus! Don't give up, God is faithful!

BUBBEHS AND ZAIDEHS

(Yiddush for Grandmothers and Grandfathers)

My grandparents were very special to me. When I minister to elderly Jewish **PEOPLE**, I'm often reminded of my grandparents and have a great love and respect for them. The elderly Jewish woman mentioned in our newsletter awhile back has passed away. It hurts to lose someone we have reached out to for many years especially since she didn't think she was a sinner and needed salvation? Another elderly Jewish woman we reach out to was in intensive care and then disappeared? We tried calling but couldn't get any information? Finally, I called again and she picked up the phone and told me she loves me! If only she would know and love Jesus. My Jewish believing **FRIEND** and I went out to eat. I usually wear my "**Jesus Loves You**" Jewish star t-shirt, and my friend thinks the attention the shirt gets is hysterical. The place we ate at has many Jewish **CUSTOMERS**. They were challenged by my shirt and talked about it! We ran into my friend's **COUSIN** who was taking his **BUBBEH** out for dinner. This is the third time I've run into this Bubbeh. There was another **BUBBEH** there who I've run into at least 10 times!

Internet Outreach

I have over 100 Jewish **PEOPLE** on my Internet Buddy List. If the're online, I can "instant message" them. The Jewish holidays provide an easy way to engage Jewish people. Simply wish them a "Happy New Year". There were many people on my buddy list who were online, and I was able to wish a happy new year and bring the conversation around to Jesus! Our website links to a four minute video of my testimony. The company who provides video access, sent a report with several Jewish names who viewed the video!

Betrayed

The Jewish Business **MAN** (in NJ), referred by **SOMEONE** I met after speaking at her Messianic Congregation (in PA), thanked me for "Betrayed", said it was perfect for him and it arrived on his birthday!

Tuesday Night Fellowship

Please pray for **LEE** as he leads our Tuesday night **FELLOWSHIP**, especially when I am out of town. This is the only "church service" for some of the people who attend.

Thursday Mall Outreach

LEE and I meet for lunch at the mall every week when I am in town. **ISRAELIS** are always challenged as well as many Jewish **PEOPLE** and **OTHERS**. One Jewish man I met on the other side of town years ago, came by. He promises to come over after the holidays, but never has?

Enoree, South Carolina

On the way up to New York this past summer, I stopped off to visit my **FRIENDS' CHURCH** in Enoree, South Carolina. They invited me to share testimony, t-shirts and tracts. I arrived early just before the Pastor came back from the mall with his **YOUTH CAMP**. They were at the mall distributing Gospel tracts, what a blessing! Then they were teaching the youth Hebrew, and asked me to share a little bit! This church loves the Jewish **PEOPLE!** There aren't very many Jewish people in their area, so they have decided to **PARTNER** with our ministry. They sent a **TEAM** of four to minister with us in Atlanta. We had a game night and some of our regulars came, and they were able to share with them. They spent the entire day with me at the Sandy Springs Festival handing out Gospel tracts and witnessing to **PEOPLE** at our booth!

Sandy Springs Festival

I praise God for these awesome opportunities! I live in and our ministry is based in Sandy Springs which has seven Synagogues and four Jewish Day Schools. We are in suburbia, so it is difficult to find a place to do typical street evangelism. Every year they have the Sandy Springs Festival, and it is an opportunity to reach many Jewish **PEOPLE** and **OTHERS**. We had a booth which boldly proclaimed "Jesus as the Jewish Messiah". Many Jewish people walked by, looked at our booth and were challenged by our beliefs. Many people stopped at the booth and allowed us to share with them verbally and with Gospel materials. Our efforts were greatly enhanced by the Team from South Carolina. As they also walked around the festival in "**Jesus Loves You**" Jewish star t-shirts and handed out hundreds of Gospel tracts outside the festival gates. They also had the opportunity to engage many people at the booth. Many believers were excited to take Gospel materials for their Jewish **FRIENDS**. It was a blessing to also share with Atheists and Chinese who

need Jesus!

Dean and Elaine

When I started visiting my **CHURCH**, before joining it 18 months ago, I attended the Wednesday night prayer meeting. I arrived early and waited for the prayer meeting to start. **ELAINE**, who I did not know, came over and asked me to help her with outreach. She also invited me to her Sunday School Class which just happened to be my age group. She and her husband **DEAN** became very involved and supportive of our ministry. They believe God called them to minister in Upstate New York, and they have been there for a few months. Dean and I talk all the time. He tells me about all the Jews God brings across his path. First their **NEIGHBORS** turned out to be Jewish. Then he did a funeral and the surviving **DAUGHTER** turned out to be Jewish. Then he went to see a **DOCTOR** who also turned out to be Jewish. Dean is taking seminary classes and met a **PASTOR** from Long Island who wants to reach his very Jewish **NEIGHBORHOOD**. I gave him suggestions for reaching Jewish people and my **BROTHER's** contact! Please pray for their **EFFORTS!**

Equipping the Saints

We sew seeds, but we don't know the full extent to how God will use our efforts. Last month we had several requests for t-shirts and Gospel tracts from BELIEVERS wanting to reach out to their Jewish ACQUAINTANCES. Requests came from Pennsylvania, California, Florida, Arizona and through out the former Soviet Union. Praise God for multiplying our efforts to reconcile people to Himself!
