## Oklahoma City, Oklahoma

After speaking at a home **FELLOWSHIP** for college students (and others), one of the young men prayed with me to receive Jesus!

Also visited **FRIENDS**, supplied wholesale merchandise to **FRIENDS** at a Messianic **CONGREGATION** and reached out to **ISRAELIS**, at malls, of which eight of them accepted Gospel booklets!

## Birmingham, Alabama

Visited **FRIENDS** and answered questions about ministering in **ISRAEL**. Their 19 year old son wants to volunteer with the **BECKFORDS**, and they had lots of questions!

## Around Atlanta

Several **ISRAELIS** accepted Gospel booklets at our mall outreaches in Dunwoody!

After eating at a Jewish owned restaurant in Marietta, I got into a conversation with my **WAITER**. He has a New York accent, and we had a lot of places in common on Long Island. Of course he is Jewish. He told me he had been in jail and cried out to God. He said he believes in Jesus, but doesn't seem to believe Jesus is God? He accepted a Gospel tract. I invited him to my **CHURCH**, and also told him about **BETH HALLEL**, a local Messianic Congregation he never heard of. The man at a nearby table overheard us and said he goes there!

After eating at a Jewish Owned restaurant in Sandy Springs, I got into a conversation with the **ISRAELI** owner. It turns out his **WIFE** is a Christian, and he goes to both synagogue and church. He allowed me to share with him and even asked some questions. I gave him one of the Hebrew Gospel booklets, and he said he always gets these in English but was most thankful to have something in Hebrew!

While driving out of my development, I had a coughing attack. I pulled the van over and got out. As soon as I got back in, a car drove by and stopped. The **WOMAN** driving the car saw the writing on our van and asked if I was a Messianic Jew? It turned out she is Jewish. As she smiled and drove away, I said, "God bless you!"

*"Again I ask: Did they stumble so as to fall beyond recovery? Not at all! Rather, because of their transgression, salvation has come to the Gentiles to make Israel envious. But if their transgression means riches for the world, and their loss means riches for the Gentiles, how much greater riches will their fullness bring!"-Romans 11:11-12*

### **Eddie and Lura Beckford (Arad, Israel)**

*Lura wrote:* "What an eventful month! Praising the Lord for Bibi Netanyahu's winning election with 30 Knesset seats, but now he has to put together a coalition to form the government. Please pray that he will be able to do that without giving the religious parties the upper hand."

We minister to a homeless man and are pleased that he has survived the winter. We went to Eilat to give them Arabic Bibles and in return we brought back Sudanese Bibles. We passed out all of the Arabic Audio-voice Bibles and most of the Russian. We are waiting to be re-supplied with those and the Hebrew, as well. Meanwhile we are still distributing Bibles and books!

Eddie continues to wear his "Yeshua loves you" T-shirts everywhere! We were able to supply a youth group with T-shirts and they are wearing them and ministering to other youth!

We are also fixing up some of the winter storm damage to the house, but much remains to be done. We need volunteers!

The van was in the garage this month - \$650. Repairs. We brought

back books from Jerusalem and the van broke down again, but we were able to slowly make it home. A friend came over and fixed the problem. (Thank the Lord for friends!)

Pray for those needs, please, and protection as we travel the roads. The message of Yeshua must be delivered to the people!"
