*"And as I am lifted up from the earth,
I will draw all to Myself."*

-John 12:32 (Tree of Life Version)

Atlanta Highlights

I noticed a woman looking at our van before going into vote. She was parked right next to me, and it turned out to be a Jewish **WOMAN** we have been reaching out to for many years! She showed me her scars from recent operations, and I pray she would know the scars her saviour bore for her!

As I left the polling place, I ran into Rabbi **MARIO** who gave me a big hello! I had been in Torah studies with him on and off for many years. He is one of the only Rabbis who would answer by pointing back to the scriptures rather than the unbiblical books they were discussing!

I ran into Rabbi **YOSSI** at the Pita Grille. I've been shining the light of Jesus in his eyes for almost 20 years! He heads up our local Chabad and is in charge of Georgia. He has 12 **CHILDREN**, and I often meet **PEOPLE** (all over the world) who know him.

While eating lunch with **LEE** one Thursday at the mall, a little **BOY** came up to us and asked what my Hebrew t-shirt said? He is Jewish and was visiting from California with his **MOTHER** and **GRANDMOTHER** who had sent him over to ask what it said. You should have seen their faces when he told them, "*Jesus Loves You!*" I pray they would have faces of joy once Messiah is revealed to them!

I walked into a store and the clerk said, "Shalom!" This was her way of telling me she's Jewish! I shared with her, and she accepted a Gospel tract!

Messiah in the Passover

One of our supporting **CHURCHES**, near Gainesville, Florida, called a new pastor who asked me to do a "*Messiah in the Passover*" presentation. He told me he has a great love for the Jewish **PEOPLE**, but was not aware there are thousands of Jewish students at the University of Florida at Gainesville.

We organized a training session, a two day outreach at UF, the Passover presentation and dinner! Hundreds of Gospel tracts were distributed, many were shared with and people learned from the presentation!

Equipping the Saints

We had ministry tables at the Florida Church of God Women's Conference in Orlando, Florida. People from all Florida (and the Bahamas) were equipped with t-shirts and other evangelistic items.

A **WOMAN** from another conference at the hotel said her Jewish **COWORKER** saw my "**Jesus Loves You**" t-shirt and wanted to know what it was about? She told her and gave her one of our Gospel tracts!

"Again I ask: Did they stumble so as to fall beyond recovery? Not at all! Rather, because of their transgression, salvation has come to the Gentiles to make Israel envious. But if their transgression means riches for the world, and their loss means riches for the Gentiles, how much greater riches will their fullness bring!"-Romans 11:11-12

Ministry Partners

Praise God, PEOPLE continue to use our evangelistic shirts!

A Messianic Congregation in Prescott, Arizona ordered some for their outreach. Abraham Sandler is selling them at various "*Messiah in the Passover*" presentations throughout western Pennsylvania.

A missionary (Lockey) took some to minister with at orphanages in Bolivia.

People are ministering with them in front of the White House in Washington, DC.

My friends Mark and Rahel Landrum bought one for their *Jews for Jesus* co-worker in Sydney, Australia.

Shelley's team wore them to an outreach at the St. Patrick's Day Parade in St. Louis!

Eddie and Lura Beckford (Arad, Israel)

"Our Website is down. (kingsmenarad.com) We think it was hacked. The anti-Christ organizations have been trying for years to get it down. At this time, we have no idea whether we can get it back again. Please keep in touch with us through the Jewish Outreach

website: www.savethejews.org

Doctor visits & Eddie's health -Eddie has more tests to do for his thyroid. The doctor is concerned about his heart and ordered him to stop exercising & to rest until his thyroid issues are taken care of. The good news is that his sugar readings are close to normal.

We are still doing Bible/book runs, but taking it easy & using volunteers to help. Eddie is still wearing his T-shirts advertising that Yeshua loves you! Great conversation starter!

Leaky House - nothing has changed on our leaky house. Every time I think it is getting dry, it rains again. The landlord is coming tomorrow to check on the situation again. Work cannot start until the walls are dry. Pray for help to deal with cleaning up the mildewed walls. I can't do it alone & Eddie is not allowed.

Pesach is coming on April 22nd, so there is a lot of hustle and bustle about that. Exciting time of year to celebrate the death, burial & resurrection of Yeshua! The sweet smell of ripening figs is in the air. Normally they wouldn't ripen until after Pesach, but this is a leap year on the Jewish calendar, so Pesach is a month later than usual. Praise the Lord for His Sacrifice which has made us accepted in the Beloved! Blessings to you & thanks for the prayers! Lura (& Eddie) Beckford, Arad, Israel"
