## Steve Kaplan, President Jewish Outreach International (Atlanta, Georgia)

Praise His Name! God bless you and thank you for supporting our ministry!

**STEVE'S MISSIONARY JOURNEY**-Wow, what a long, exhausting and exciting five week trek to California and back!

My first stop was in Dallas wholesaling merchandise to an Israeli **BELIEVER** who just stayed with the **FAMILY** I was going to in Tucson! Then I supplied the Messianic Jewish Center in Arlington.

While in Tucson, I reached out to the Jewish **MAN** I led to the Lord, ministered at the Gem Show and shared testimony and merchandise at the **CONGREGATION**.

While in Las Vegas, we had a team go to the tradeshow that is so Jewish, they set up a kosher eatery at the show. We challenged hundreds of mostly Jewish **PEOPLE** with our evangelistic t-shirts and shared personally with several of them. We took our team to the

University of Nevada, and I had the privilege of leading a young **MAN** to the Lord, who I just happened to run into again the next day while at a laundromat! I shared testimony and merchandise with the **CONGREGATION**. Ate at a "Jewish" restaurant with my t-shirt on!

Because I was in town, **CYRIL** organized an outreach at Venice Beach (he usually doesn't minister there during the winter). We shared with an Israeli **FAMILY** who stopped by our Free Bibles Booth as well as several other Jewish and other **PEOPLE**. Cyril prayed with a **MAN** to receive the Lord and gave his contact information to a **CHURCH** he had spoken at. I equipped people with merchandise at the Messianic Conference.

I had mailed my book to Jonathan Bernis' assistant and received an open invitation to be interviewed on his show. I stopped in Phoenix on the way home, but couldn't locate the producer who invited me to be on the show? Since I am having issues with my book right now, it is probably best to interview later?

On the way home, the Messianic **CONGREGATION** in San Antonio, allowed me to set up in their lobby and equip people with merchandise. My **COUSIN** helped me pack up and then we went to lunch!

I stopped in Ft. Worth and had dinner with a Jewish **BELIEVER**. The next morning I met with the **SISTER** of a **FRIEND** I recently met in California. Unfortunately, I had some issues with my new **PUBLISHER** and the sister is an author and suggested me working with her **PUBLISHER** and I have been!

My last stop was the National Religious Broadcaster's Convention in Nashville. My intent was to promote my book and pitch the book to movie producers at the pitch session. Since I have an issue with my publisher, I would have canceled the convention, but had already paid for the expensive registration?

Amazingly there were many non-believing Jewish **PEOPLE** in attendance, and I was able to share with some! A Jewish **BELIEVER** sat next to me at a session, and it turned out she was from the same **CONGREGATION** in California as many of my friends.

**KAY ARTHUR** told me she liked my "***I Love Israel***" t-shirt I had worn to the prayer breakfast for **ISRAEL**! I ran into another **FRIEND** who's wife had separated from him and his brother passed away the week before. I was not expecting to see this friend there and hadn't seen him in five years! I ran into a couple of Israeli **BELIEVERS** I

know as well as several other **PEOPLE**. There were many famous people there including: Kevin Sorbo, Mike Huckabee, William Barr, Marsha Blackburn, Jordan Sekulow, Betsy DeVos and Anne Graham Lotz spoke at the closing dinner and was absolutely wonderful! The tornadoes hit two days later!

Sincerely,

***"Again I ask: Did they stumble so as to fall beyond recovery? Not at all! Rather, because of their transgression, salvation has come to the Gentiles to make Israel envious. But if their transgression means riches for the world, and their loss means riches for the Gentiles, how much greater riches will their fullness bring!"-Romans 11:11-12***

## **EDDIE & LURA BECKFORD (Harrisburg, Pennsylvania)**

Lura wrote: "Shalom!!! We are organizing a March/Parade/Rally **Against Anti-semitism!** Pray for this to be a witness to the Jewish Community in Central Pennsylvania. This is the first time we have attempted to do something like this and we are asking various people for their wisdom!

How exciting! Mike Ogden, who helped us in Israel a number of times, is helping to organize this rally. He worked on Capitol Hill for 25 years, so he is using his expertise to contact the police and park service for permits.

I ordered a large banner & Steve is sending Yeshua T-shirts and flags. Pray for hearts to be touched and openness in the Harrisburg Community. We also have to arrange for a bus to return people to their cars afterward. Pray for the finances to do these things. We are still ironing out the details, but this is a practical way to fight the global anti-Semitism. The Lord has not forgotten His Ancient People!

Physically Eddie & I are doing well, other than normal glitches that come with growing older. Praise the Lord for His keeping power! Thank you for your support in every way. If the Lord leads, join us for the March on April 26! More details in the next newsletter! Love Lura & Eddie Beckford [lura\\_eddie@hotmail.com](mailto:lura_eddie@hotmail.com)

## **CYRIL GORDON (Southern California)**

Cyril wrote: "Praise God! I'm doing so much ministry in local synagogues these days that my friends are starting to call me the "Paul of LA"... oy vey. Presently, there are four major synagogues in Southern California that I'm actively ministering in. My goal is to be active in at least 8 synagogues by the end of 2021 as I continue to train others to do the same. One of the synagogues I'm visiting has a new Rabbi that I have yet to introduce myself to, while the other three Rabbis know me and are allowing me to attend their events as long as I don't talk about Yeshua at their synagogues. The good news is that, to my surprise, I've been able to be quite open about my faith in Yeshua at these synagogues with minimal resistance. The only "persecution" I've experienced in the last seven months is just a couple passing statements saying that "I'm no longer Jewish because of my faith in Yeshua".

The amazing thing is that, in one instance, the Rabbi actually defended me when some of her congregants voiced their concerns about me being there because they found out about my extensive involvement in Jewish outreach by "Googling" me. The Rabbi said to them that I haven't caused any trouble there so far and am welcome to continue participating in their synagogue's events.

Praise God that there are several Jewish people at these synagogues that I've been able to minister to (outside the synagogue of course),

and one of them named Carol even visited a church with me for the first time and loved it. My goal is to continue to be a light in a dark place for the over 600,000 Jewish people in Southern California. Regarding the gospel, I want to look for every opportunity to prepare soil and sow seed into these precious people's lives. I also want to expand on my "Adopt a Synagogue" outreach where volunteers commit to visiting and serving in a local synagogue to shine the light of Yeshua there as much as possible. The remnant of Israel that are seeking the truth will be drawn to the light of Yeshua and be saved.""
