**STEVEN BARRY KAPLAN, PRESIDENT JEWISH OUTREACH INTERNATIONAL (Atlanta, Georgia)**-God bless you and thank you for supporting our ministry!

Please pray for:

February 5-6 Tables at Johnny Hunt Mens Conf in Woodstock, GA  
February 9-11 Outreach at the Off Price Show, Orlando, FL

**SPIRIT LED MINISTRY**-After stopping at the post office I prayed about where to go for dinner/outreach, a local Kosher restaurant or the Irish pub in the same parking lot as the post office? I felt led to

go to the pub? Sure enough, my Jewish neighbor was there and it gave me an opportunity to catch up with him!

I dropped my roommate off at the hospital for outpatient surgery on the other side of town. I found a branch of my bank and prayed about where to go for lunch/outreach. I was in the parking lot of the restaurant I intended to go to, but I saw Goldberg's deli in the same shopping center. I felt led to eat at the Jewish restaurant. Sure enough, the woman in line in front of me was 19% Jewish and was seated at the table next to mine. Not only did she live in the same building as my other roommate's father, but on the same floor! She told me she was a believer, but when I asked her to share with my roommate's father, she said she wasn't that kind of believer?

**BIBLES FOR EVERYONE**-I dropped off a Hebrew/English Prophecy Edition New Testament for ELI an Israeli we minister to. He wasn't there so I left it with his son AVI. The following week I came back to give one to AVI, and he said a woman saw the Bible last week and wanted one too!

**HAPPY HOAGIES**-I told my Sunday school class about AVI the Israeli man who owns a hoagie shop near the church and suggested we eat lunch there and witness to him, and we did! I went back a couple of weeks later, and AVI had a whole bunch of questions for me! He wanted to know how Jesus could be the Messiah if God is His father and the lineage to King David is through the Father. Ironically, most Jews consider Judaism through the

mother, but biblically it is through the father. I explained he was entitled to all of what Joseph had to offer as the first born adopted son which included lineage to King David. I also pointed out, the male lineage through Mary in the book of Luke which also traces back to King David. Avi also wanted to know why I don't keep kosher. I explained there was a new covenant and the most important thing is having your sins forgiven. Jesus said, "Its not what goes into your mouth, but what comes out that defiles you." We spoke about other things as well, and I can tell he was touched that my Sunday school class came to visit!

**DELI DIALOGUE**-I have been eating at a kosher deli. There are lots of Israelis. My Hebrew t-shirt sparked a conversation with MOSHE. Moshe kept asking, "How can a man be God? How can a man be God?" I told him, "A man can't be God, but God can come to earth in the body of a man, die for our sins and rise from the dead!" Moshe was loud when discussing this with me, and pretty much everyone in the restaurant heard our conversation! A woman apologized for him being loud, and I told her I was from New York and it was fine!

**ATLANTA GIFT SHOW**-Unfortunately, thanks to Covid-19 Virus, this years show was rather quiet. There were hardly any people, showrooms were closed and some were downsized. Fortunately, I did find some Jewish people who were challenged by my t-shirt!

Sincerely,

Steven Barry Kaplan, President

"Again I ask: Did they stumble so as to fall beyond recovery? Not at all! Rather, because of their transgression, salvation has come to the Gentiles to make Israel envious. But if their transgression means riches for the world, and their loss means riches for the Gentiles, how much greater riches will their fullness bring!"-Romans 11:11-12

Shalom Everyone!

Greetings! Our Lord wants unity in His Body, yet unity seems to be in short supply these days. We need to be praying for His Will to be done on earth as it is in heaven and then doing our best to put feet on those prayers.

At 8 AM, every Saturday/Shabbat morning, several police meet at “Just For Today ministry” and invite others to participate in a dialogue. So Eddie has made a point of going to the meeting every week. I went once and will also be attending sporadically. It’s good to expand our circle of acquaintances and allow the Lord to use it to share His Will in our community.

A number of people have asked us to share how we are controlling diabetes with **no** meds. It looks as if this has turned into a ministry of its own. We have been sharing links to the various holistic doctors’ YouTube movies as they teach on reversing diabetes. The Lord is in this, as He wants His People healthy and exercising self-discipline in the Power of the Holy Spirit. It’s

pleasing to the Lord when we recognize our bodies are the Temple of the Lord indwelt by the Holy Spirit and we act upon that knowledge! His Will be done!

Our Oneg group is meeting once a month, enjoying the fellowship and the lively discussions about Biblical subjects. The goal is to continue growing into the image of Yeshua our Messiah so we can manifest Him to the world. We have had a couple unsaved people coming and they are being drawn to Him by the love of the believers. It's really precious to see & experience!

The end of January, we turn in our leased car & begin another 3 year lease. It is amazing to think we have been in the USA for 3 ½ years already. Please continue to pray for Israel; they are in their 3<sup>rd</sup> lockdown because of Covid & Netanyahu closed the airport down. No planes in or out. They are also facing another election in March simply because there is no unity in the country. They need to turn to their Messiah, Yeshua!

Praise the Lord who provides us with everything we need! He is our Help in time of trouble & He knows how to deliver the righteous! He is never late!

If you are in PA near Camp Hill /Harrisburg, please call us or stop in to see us! My phone # is **717 395 2804**. God bless you and thank you for the support in prayer and otherwise!

Love in Yeshua – Keep looking UP!

Greetings from the trenches in Los Angeles, A.K.A Gomorrah

Happy New Year! As this blessing is joyfully declared around the world, it is a good time to ponder on what it really means to be “Happy”? The world might say that happiness is being wealthy, healthy, or famous, but in reality, though there is nothing wrong with these things, the joy we get from them is often temporary and fleeting. As Children of God bought by the precious blood of Jesus, we have come to see that true and lasting happiness only comes from being in the presence of the Lord, as it is written:

*You make known to me the path of life; in your presence there is fullness of joy; at your right hand are pleasures forevermore.*  
*(Psalm 16:11)*

Therefore, this time of year is a good time to remind people we meet of this precious truth. As we begin another year (hopefully not another crazy year like 2020, lol), I want to thank God and all of you that helped me end 2020 with a BANG. Regarding support, December was my best month ever since I started serving in the ministry of Jewish Outreach International back in June 2019. My monthly sponsorship jumped from 57 to 80 in one month! Now I am only 20 sponsors short of my goal of a hundred that I am trusting we will hit in 2021. Praise God! Hitting this goal with free me up to devote 80% of my time to direct evangelism in the synagogues and at Venice Beach. Regarding evangelism, 2020

was a banner year for me, and with the Lord's help, I am expecting 2021 to be even better. And what better way to start 2021 than with a couple of salvations. Below is a picture of Shirley and Cindy who just accepted Jesus as their Lord and Savior at our Venice Beach Outreach. Shirley (right side) was visiting from New York and shared how she was mad at God because her husband of many year just died suddenly. Praise God that Shirley started her year by making peace with her Creator replacing her grief and bitterness with great joy.

Thanks to your prayers and support, this year my ministry team and I (see picture below) had over a hundred and twenty salvations and rededications while ministering on the world-famous Venice Beach walkway. We had over 600 people stop by our Free Bibles table and take a free English, Spanish, or Hebrew New Testament. We also sowed a lot of seed by verbally sharing the gospel with over a thousand people that the Lord brought to our table! This ministry team consists of (from left to right): Lumi, Lucia, me, Marius, Arthur, and Cory--Jews and Gentiles serving the Lord as one. We also have other members of our ministry team that weren't there that day. I thank God for these faithful saints that sacrificially make themselves available to spend most of their only day off ministering at Venice Beach and being a bright light in a dark place.

This month we have a special treat for all of you. A 15 minute video of me and fellow Jewish believer in Jesus, Arthur Perles storming a Gateway to Hell at Venice Beach with a megaphone and shofars. It was the first time in 20 years that I used a megaphone to preach at Venice Beach. I believe that preaching with a megaphone is not something you want to do unless the Lord gives you the green light. In this video you'll see the ominous 40 foot tall sculpture **with its upside down cross** located in the spiritually darkest part of Venice Beach known as the "Gateway to Hell". We prayed in the mighty name of Jesus and blew our shofars for the captives to be set free in front of this demonic gateway.

Thanks again for all your prayers and support!
