Praise Report

Shalom from Los Angeles California (AKA Gomorrah),

As 2021 begins with ominous dark clouds forming over us as our country reels from political turmoil and big tech threatens free speech, it is a good time to remember to *ARISE AND SHINE* as the Lord declares to the nation of Israel, for we are *Light Bearers* and need to look for every opportunity to shine that light brightly to a lost and dying world. As it is written:

Arise, shine, for your light has come, and the glory of the Lord has risen upon you. For behold, darkness shall cover the earth, and thick darkness the peoples; but the Lord will arise upon you, and his glory will be seen upon you.

(Isaiah 60:1-2)

I want to thank God and all of you that helped me end 2020 with a BANG. Regarding support, December was my best month ever since I started serving in the ministry of Jewish Outreach International back in June 2019. My monthly sponsorship jumped from 57 to 82 in one month! Now I am only 18 sponsors short of my goal of a hundred that I am trusting we will hit in 2021. Praise God! Hitting this goal with free me up to devote 80% of my time to direct evangelism in the synagogues and at Venice Beach. Regarding evangelism, 2020 was a banner year for me and my ministry team, and with the Lord's help, I am expecting 2021 to be even better. And what better way to start 2021 than with the salvation of one of God's chosen people.

A Jew named Daniel (Top left pic, right side) prayed to receive Jesus as his Lord and Savior at our Venice Beach Outreach. Daniel's been on a search for the truth for many years dabbling in various philosophies and religions. Praise God that the thick veil that blinds him was finally lifted and he came home to Israel's Messiah after we shared the gospel with him. Please pray for his spiritual growth as I help to disciple him.

Also, a homeless man named Zephaniah (Right pic, left side) stopped by our Free Bibles table to get a Bible and prayer. He has had a very difficult life and was so blessed by how one of our ministry members named Jacob (Right pic, right side) reached out to him, that he poured out his heart and wept for 10 minutes on Jacob's shoulders as his heavy pain was released. Praise God!

Thanks to your prayers and support, in 2020 my ministry team and I (Left pic) had over a hundred and twenty salvations and rededications while ministering on the world-famous Venice Beach walkway. We had over 600 people stop by our Free Bibles table and take a free English, Spanish, or Hebrew New Testament. We also sowed a lot of seed by verbally sharing the gospel with over a thousand people that the Lord brought to our table! This ministry team consists of (from left to right): Lumi, Lucia, me, Marius, Arthur, and Cory--Jews and Gentiles serving the Lord together

as one. We also have other members of our ministry team that were not there that day. I thank God for these faithful saints that sacrificially make themselves available to spend most of their only day off ministering at Venice Beach and being a bright light in a dark place.

Finally, ministry in the local synagogues is still going strong as I am presently active in three synagogues through their Zoom meetings--shining the light of Jesus there, hoping to draw the lost sheep of Israel back home to their Lord and Savior. Please pray for continued wisdom and favor as I reason with my Jewish people in the synagogues as the Apostle Paul did.

THANKS AGAIN FOR YOUR PRAYERS AND SUPPORT!
