Praise Report

Greetings from Los Angeles, California (AKA Gomorrah),

A warm THANK YOU to all of you who are faithfully supporting me and praying for me as I continue to serve the Lord through the ministry of Jewish Outreach International. Thanks to you, the gospel is being preached effectively to the thousands of people that visit Venice Beach and to the local Jewish community. As children of God bought by the Holy Blood of Jesus, we all have a high calling and should do all we can to fulfill it, as it is written:

Not that I have already attained, or am already perfected; but I press on, that I may lay hold of that for which Christ Jesus has also laid hold of me. Brethren, I do not count myself to have apprehended; but one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead, I press toward the goal for the prize of the upward call of God in Christ Jesus. (Philippians 3:12-14)

I come from a large Jewish family of successful businessmen, doctors, engineers, and jewelers who think I'm wasting my life as a missionary. They are shocked that I would leave a successful art career for full time ministry. But like the Apostle Paul, 'I forget those things which are behind and reach forward to those things which are ahead, pressing toward the goal for the prize of the upward call of God in Christ Jesus.'

It is a constant battle for souls at Venice Beach as the enemy is there in full force every day trying to mislead people. Venice is full of cults, psychics, and Marijuana parlors eager to tangle souls in their webs of deceit in order to keep them from the Lord Jesus. That's why it's so important that the church have a regular presence out there shining the light of truth to counter this darkness of lies.

Here are some recent praises from our Venice Beach Outreach:

Praise God! Two Jews named Yael and Patricia (wearing black Tee-shirts) came to faith in Jesus as their Lord and Savior at Venice Beach. They were drawn to Jesus and were so excited to meet Jews who love Jesus at Venice Beach. Fellow Jew who loves Jesus, Arthur Perles ministered to them for over a half an hour until it all made sense to them, that indeed, Jesus is truly Israel's Messiah. Anthony, a fellow Jew who also loves Jesus and successful businessman, rejoiced with us and the angels by blowing the shofar.

Scott (left side, right) is a homeless brother in the Lord who stopped by our Free Bibles table for prayer to overcome his present addiction to Meth. Scott's been sleeping on the beach at Venice for two weeks, and it's starting to take its toll as he's already been robbed. I had Scott pray to rededicate his life to the Lord Jesus, after which, in the name of Jesus I came against the Evil One that's tormenting Scott. By the end of our session, Scott was in tears and praising the Lord. Please pray for Scott's complete victory over his Meth addiction and that he would find a good church to plug into.

A young man named Blake (right side, middle) who's struggling with homosexuality stopped by our Venice Beach Free Bibles table today and prayed that the Lord Jesus would set him free from everything that's hindering his walk with God. We ministered to Blake for almost an hour. Blake knows that it was the Lord who directed him to our table and left us his contact information for follow up. Please pray for Blake's complete spiritual healing.

THANKS AGAIN for your support and GOD BLESS YOU!
