## Praise Report

Shalom from Southern California,

Your prayers and support make it possible for me and our faithful volunteers to continue boldly lifting up the holy name of JESUS in one of the darkest cities in the world--- Los Angeles, California (AKA Gomorrah). THANK YOU and GOD BLESS YOU. :)

Three weeks ago, I went with fellow men of God (See Pic, Arthur to my right, and Dennis to my left) to an Open California Rally in front of the Los Angeles City Hall to blow our shofars and pray that the spiritual oppression hanging over the State of California would be lifted, and that week Venice Beach and the churches started opening up. Praise God! So finally, after more than two months, our ministry team was able to spend the whole day ministering to the thousands of people that stroll up and down the famous Venice Beach Walkway again. We are back in business!

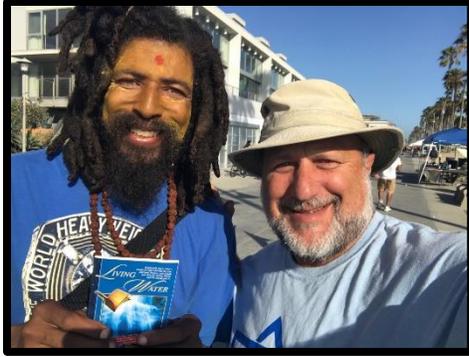

*Blowing our shofars at City Hall*

Just as the Lord commanded Moses to blow the trumpets when going to war in the Book of Numbers, we (two Jews and a Gentile who love Jesus) blew our shofars in unison to ask the Lord to free the people from spiritual bondage in this oppressed land, and many of the people at the rally that day praised God, as it is written:

***"And when you go to war in your land against the adversary who oppresses you, then you shall sound an alarm with the trumpets, that you may be remembered before the Lord your God, and you shall be saved from your enemies." (Numbers 10:9)***

But it looks like the Lord's judgement on this godless land isn't over yet, as we were at Venice Beach ministering again a week later, race riots, looting and fires broke out all over Los Angeles. Suddenly, all the businesses on the Venice Walkway quickly shut their doors and fled as hundreds of protesters holding signs, wearing black shirts and masks, and chanting, headed our way, but we held our ground and I blew the shofar as in the day of battle, calling on the name of the Lord. And praise God, the Lord protected us as the mob walked right by us without trashing our table or destroying our Bibles. Even with the city wide curfews going into effect and all the vandalism and looting going on that afternoon, we continued to man our Free Bibles table because there were still hundreds of people out there on the walkway, and some of them were looking for answers. Because we held our ground, dozens of people received the Gospel that afternoon, and two of them even got Saved--a young man named Angel, and another named Jacob. Praise God!

The enemy of our soul has been raging more than ever since we've been back at Venice Beach ministering. He's been sending people to our table to curse us, try and steal our Hebrew Bibles, try and waist our time, and knock the Bibles off our table, but we've held our ground praising the Lord.

Yesterday a Hindu man accepted Jesus as his Lord and Savior and renounced all other gods (See left pic with me wearing my hat). It was amazing to see his spiritual blinders come off, as one of our volunteers named Arthur ministered to him at our Venice Beach Free Bibles table as I prayed silently (See right pic). Arthur is a Jewish believer in Jesus who use to dabble in Hinduism, and this helped him

minister to the Hindu man in a way that he could understand. After the Hindu man called on the Lord Jesus for salvation, we blew our shofars and praised the Lord. The now ex-Hindu left with a brand-new book of John to help him start his new spiritual journey.

*It's now been a year since I started serving with JEWISH OUTREACH INTERNATIONAL, and the Lord has surpassed all my expectations. As many of you know, I had to start from zero in raising support, and thanks to the Lord and many of you, support has been generous. My goal is to have 100 or more individuals or churches sponsoring me \$50 or more a month, and last month we passed the 70% milestone of this goal. Hitting the goal of 100 sponsors will allow me to devote 80% of my time to direct evangelism to the tens of thousands of people I have access to in Southern California through my Venice Beach Outreach and my ministry in the synagogues. If you aren't already sponsoring me, please pray about jumping on board in 2020. Time is short and the workers are few--especially in Los Angeles, California.*
