Praise Report

Shalom from Los Angeles California (AKA Gomorrah),

I thank God every day for all of you that are praying for me and my Ministry Team and sponsoring us to continue boldly lifting up the name of JESUS in the heart of Southern California. This Praise Report is a fulfillment of my commitment to you-- to keep you where the action is as my Ministry Team and I minister boldly and effectively at Venice Beach and the local synagogues.

It is Passover Time!

The Biblical Holidays remind us of who God is and what He has done. Passover is a great time to remember God's righteousness given to us through faith, as it is written:

*But now the righteousness of God apart from the law is revealed, being witnessed by the Law and the Prophets, even the righteousness of God, through faith in Jesus Christ, to all and on all who believe. For there is no difference; for all have sinned and fall short of the glory of God, being justified freely by His grace through the redemption that is in Christ Jesus, whom God set forth as a propitiation by His blood, through faith, to demonstrate His righteousness, because **in His forbearance God had passed over the sins that were previously committed, to demonstrate at the present time His righteousness, that He might be just and the justifier of the one who has faith in Jesus.***

(Romans 3:21-26)

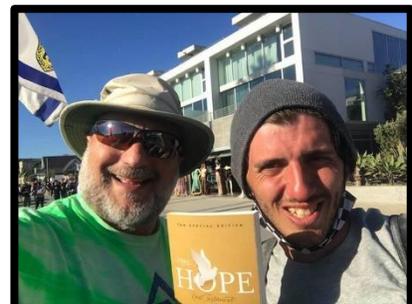

Just as the 10th plague of "Death of the Firstborn" passed over the Israelites who put their faith in God by applying the innocent blood of a lamb to their doorposts in Egypt about 3500 years ago, death passes over all of us that put our faith in the innocent blood of Jesus shed for our sins.

For the next two months I will be sharing Passover Seders (Left pic) in churches all over California, in cities like: Arroyo Grande, Bakersfield, Ventura, Hawthorne, Bellflower, and Hawaiian Gardens. If you are near any of these cities and would like to attend, just contact me for the details via text or email; I would love to see you. **Also, make sure that I have your current email and phone number so that we can stay in touch.**

From the Front lines at Venice Beach

A young homeless wandering Jew from Massachusetts named Troy Cohen (Right pic, right side next to me) stopped by our Free Bibles table at Venice Beach and got the gospel, a hotdog, and a New Testament. Troy has been homeless at Venice for a week and has already had things stolen from him. His life fell apart because of the national lockdown and he is hoping to get back on his feet soon. Please pray for Troy's salvation as I attempt to follow up with him.

The local Hare Krishna leader (Right pic, right side) has been prancing up and down the Venice walkway every day for months now banging on his drums and praising his false god Krishna. He likes to knock it up a notch when he walks by our Free Bibles table, so we always greet him by blowing our shofars and praising the Lord of Lords and King of Kings—Jesus Christ. In this picture, we are joined by a fellow man of God named Jose (Left side) who has been boldly Praising the Lord Jesus and handing out gospel tracts with his friend regularly at Venice Beach for several months now. Jose was inspired by our outreach and loves to stop by and pray for us.

Remember, just as we are the Lord's ambassadors shining His Light in the heart of the enemy's camp at Venice Beach, we are also your ambassadors as you pray for us and sponsor us. Our bread and butter comes from those who are committed to sponsoring us monthly. If the Lord is leading you to do so, just click the **"To donate online"** link below and sign up with PayPal; we've made it as user friendly as possible. One time gifts are also appreciated. 😊
