Dear Pastor or co-worker in Christ,

This letter is to introduce Cyril Gordon to you and your ministry. I have known Cyril for about three years now and find him to be a sincere and zealous worker in the Kingdom of God. We have worked out on the streets together and his method of reaching people through the bible giveaway program he created is very successful.

He has spoken at our church and his testimony is very moving, many of the members of our congregation have joined him in the outreach in downtown Sacramento. I can assure you he will both inspire and equip your group to be more effective in the presentation of the Gospel.

He has become a friend as well as a fellow evangelist with a sincere desire to see the lost come to Christ. If you have any question concerning him please do not hesitate to contact me at my office.

Sincerely in Christ

Richard Henri Paradise
