Dear Pastor,

It is my privilege to recommend the ministry of Cyril Gordon. His heart for the lost and love for Jesus is contagious. His testimony is a powerful reminder of God's persistence in reaching out to us.

Cyril is genuine. What he speaks, he lives, as he sacrifices a normal lifestyle in order to reach to those in our cities. When you have him come, your church will be encouraged, refreshed and challenged to take the gospel to the streets.

I would be happy to speak with you regarding Cyril's ministry. Please call.

In His service,

Pastor David Crone
Senior Pastor
