***STEVEN BARRY KAPLAN, PRESIDENT  
JEWISH OUTREACH INTERNATIONAL (Atlanta, Georgia)-***

God bless you and thank you for supporting our ministry!

You and yours are invited to a Hanukkah Outreach Party on Saturday, December 4. The party will be from 2PM to 10PM at my home in Sandy Springs. My address is 515 Wyncourtney Drive, Atlanta, GA 30328. Please bring traditional Jewish foods!

Messianic Conference in Orlando, Florida December 17 to 19.

The Lord prompted me to put on a Hebrew "***Jesus Loves You***" t-shirt and to eat at a Jewish deli. As I opened the door, a Jewish woman asked what my t-shirt said, I told her, and she smiled. Another Jewish woman at the deli, who I had been praying for for many years, also asked what my t-shirt said? She asked why I was wearing it, and I told her because I believe in Jesus. She said she didn't because there wasn't world peace, but I assured her there would be when He comes back!

Sincerely,  
Steven Barry Kaplan, President

"Again I ask: Did they stumble so as to fall beyond recovery? Not at all! Rather, because of their transgression, salvation has come to the Gentiles to make Israel envious. But if their transgression means riches for the world, and their loss means riches for the Gentiles, how much greater riches will their fullness bring!"-Romans 11:11-12

Shalom Friends & Family,

Happy Hanukah! We are enjoying the Festival of Dedication & Lights, especially as we know Yeshua as the Light of the world! We are His Temple of living stones!  
We had a great time at our Thanksgiving Dinner, the day after Thanksgiving. Good food, fellowship & Bible discussions.

Eddie and I drove to Williamsburg, VA. While in the hotel, a pitbull mix dog came up behind us and attacked Matzah. We had a lot of effort to get the dog off of her. The owner of the pitbull apologized after he was able to get his dog under control with great difficulty. We thank the

Lord Matzah was not hurt badly, but she was very traumatized. She didn't want to walk past any of the doors along the corridor. She had her service dog jacket on, so no puncture wounds. Eddie talked of forgiveness after the attack. I did report it to the hotel manager, as there were other little dogs in the hotel & I didn't want them to be hurt. He told me there had been another incident with the same dog. Who knows? Perhaps the Lord allowed this to happen to us in order to prevent tragedy happening to someone else. In any case we need to be alert since our enemy is on the prowl seeking to devour us. Thank the Lord for our Protection! He is our refuge!

Eddie is back to doing his regular rounds of working with the Veterans Food Bank, the Addicts of all kinds, Shabbat Bible Study, the Police & 1<sup>st</sup> Responders & the PTSD group. Eddie is such a good Father figure to the young men; the Lord is using him to reach those who need Hope! We just did a television interview for **Answering the Call TV series**. That will be available online after editing.

Pray for the believers in Arad, Israel. The ultra-orthodox are stepping up their campaign against the believing community. I would like to make another trip back to Israel to encourage the believers, but only in God's Perfect Timing.

We have no agenda but to Love the Lord and Love One another: it is amazing how people respond to the actions of love. Our goal is to be conformed to the image of Yeshua and to manifest Him to the world. He put us here in an apartment complex of 150 apartments. We are in the middle of a mission field – what a privilege!

Thank you for standing with us, sowing and reaping for the Kingdom of God. We are blessed because of you. May you be blessed because of us! Enjoy the days of Hanukah, and the season of Messiah's conception! Joy to the world – Imanuel dwells with us! Love & blessings,

"Fellow Evangelists Kimberly and Ricky joined me at First Friday. My sign "Jewish Lives Matter" was a real hit again! We had many Jewish men and women (many young), approach us to talk and share gospel tracts with. One young unbelieving Jewish woman, Halley, designs Las Vegas show girl costumes. It turns out she moved to Las Vegas from Simi Valley, CA where we lived for 2 ½ years. We were traveling there the next weekend! We even met a Persian Jewish believing woman who was visiting from Santa Monica, CA!

My husband Richard and I attended a Jewish Food Festival on a Sunday after church. I shared Jewish gospel tracts with many vendors and some people walking around. I met a Jewish woman selling art work. She seems to be open and willing to meet and discuss Yeshua as the Messiah. Romans 1:16 – For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes, to the Jew first and also to the Greek.

I ran into an Orthodox Rabbi who had invited me and some others about fifteen years prior to his Synagogue to listen to an Anti-Missionary present his opposing arguments to Messianic Judaism. I was shocked that he remembered me and was so friendly. I joked and asked him if he was going to have another Anti-Missionary come again soon? He laughed and said that he should. Please pray for Rabbi Wyne's salvation.

Richard and I traveled to Venice Beach one Saturday to help fellow Missionary Cyril Gordon and his volunteers in Los Angeles hand out free Bibles along the boardwalk. Our friends and fellow Evangelists Paul and Valerie met us there as well. What a blessing that afternoon was! We all had the opportunity to share and pray with Jewish and Gentile unbelievers. The weather was typical California perfect even though Venice Beach is a very dark place spiritually. The devil didn't like our friends sharing that day. Unfortunately when we dropped them off at their parked car, the back end was smashed up 😞 We really look forward to returning in the future!"
