## *Praise Report*

Greetings from Los Angeles, California (AKA Gomorrah),

*Gordon family, left to right: Daniel, Yossi, Rhonda, Gabriella, and Cyril.*

It's never a dull day serving the Lord. I just got through speaking in sixteen churches, mostly about the Passover, and had a blast. At one of those meetings, I had a chance to meet a couple named David (Left, right side) and Julia (Left, middle) that are engaged. The only problem is that Julia is a believer in Jesus, and David is a Jew who isn't. As you can image, this is a difficult situation. However, the good news is that David is at least starting to look into Jesus, and who better to run into then me? Well, I've taken David under my wing and have been inviting him to special events and having Jew to Jew discussions with him about Jesus. Please join us in praying for David's salvation as I continue to try and meet with him and encourage him to seek the lord with all of his heart.

A whole group of Palestinian Muslims got the gospel!

A Palestinian named Wes (In white) and his Palestinian friend (left side) stopped by our Free Bibles table and got the gospel. They were drawn by the Israeli flag that we fly from our canopy and wanted to get into a heated political discussion, but we redirected the conversation to JESUS. My son Daniel (right side) did a great job sharing the gospel with Wes as I shared with his friend. We reminded them that true peace between our people will only come from JESUS. Please pray for the salvation of Wes and his friend.

## Meet Doug

Doug (Left side) is a faithful member of our Venice Beach Ministry Team. Without exaggerating, Doug is probably the most passionate Jewish believer in Jesus in all of Southern California, and we're blessed to be able to serve the Lord with him. Doug lights up whenever someone stops by our Free Bibles table and is eager to point them to Jesus. It wasn't always this way, at one time, Doug was a fervent enemy of the gospel, but after a powerful encounter with the Lord Jesus, he gave his whole life to Jesus and has been faithfully serving Him ever since, despite his physical challenges. You can't tell in the picture, but Doug has no foot. Doug recently had one of his lower legs

amputated because of a life-threatening infection, but Doug won't let that stop him from biking with his prosthetic lower leg all the way to Venice Beach from Santa Monica (about five miles away) to spend the whole afternoon ministering with us. Doug is a blessing and encouragement to all of us.

## They're Coming to Us!

With the Gay Pride events coming up in Los Angeles, thousands of people immersed in the homosexual lifestyle are pouring into town and coming to Venice beach, including Israelis. A couple Israelis that are ensnared in this lifestyle named Ben (right side with hand up talking to Arthur and Doug) and Leon (Left side talking to Lucia) stopped by our Venice Beach Free Bibles table and got the gospel. It was amazing, they actually came to us and stayed for over a half an hour to hear what God's Word says about salvation. Please agree with us in prayer for Ben and Leon's salvation.

Thanks again for all your prayers and support!
