Praise Report

Greetings from Los Angeles, California (AKA Gomorrah),

Gordon family, left to right: Daniel, Yossi, Rhonda, Gabriella, and Cyril.

As we enter the busiest time of the year at Venice Beach where, on average, ten to fifteen thousand people a day will stroll by our Free Bibles table, we're also gearing up for an increase of persecution. For those of you who received my latest email Praise Report, you had a firsthand look into some of the many ways that the enemy is trying to thwart our efforts to point people to Jesus in this crucial time. All this says to me is that we must be doing something right.

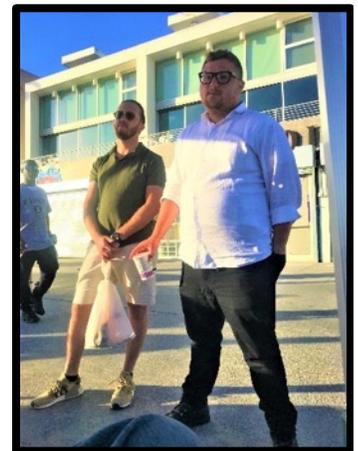

The Reinforcements Have Arrived

We were so blessed to have a team led by brother Frank from Rock Harbor Church in Bakersfield join us at our Free Bibles table in Venice Beach to minister. This awesome team (Debbie, Marcie, Frank, David) drove two hours so that they could minister to the many hopeless, hurting people at Venice Beach and they did a great job—they prayed for people, shared the gospel with people, and lead several people to the Lord Jesus for salvation. Praise God.

Visited by Jewish Anti-Missionaries

To the right is a picture of a couple local Modern Orthodox Jews that tried to find a way to convince us that Jesus isn't the Messiah. Needless to say that they weren't very successful. Sadly, they are a prime example of Jews mislead by the Rabbis. Join us as we pray that they will seek the truth with all their heart and be set free from the tight grip of Jewish rabbinic tradition that says that Jesus is not the Jewish Messiah.

Sometimes the Lord Sends us a Gem

The Lord brought a young Persian man named Shaun (wearing yellow shirt) to our Free Bibles table last month that is genuine in his search for the truth. It is so refreshing to meet someone who's actually really searching for the truth, as they are so rare. Shaun showed up with his Jewish girlfriend and talked to us for over a half an hour. Since then, I've met twice with Shaun privately to minister to him, and he's very close to accepting Jesus as his Lord and Savior. His hang up is that he's been dabbling in the New Age that teaches there are many ways to God (or enlightenment) and that we can tap into supernatural healing powers that come from within. Please pray that Shaun would enter God's Kingdom soon as I continue to reach out to him.

The Excitement of Ministering to the Brethren of Jesus

Frank couldn't believe it; he was actually ministering to Jews! The Lord brought a couple young local Jews (right side, talking to Frank who's holding a cup) to our Free Bibles table that Frank had the pleasure of sharing the Gospel with. After this interaction, Frank was so pumped up. You see, Frank is from Bakersfield where there aren't many Jewish people, and he understands what a privilege it is to have an opportunity to point God's ancient people to their Messiah. As the Apostle Paul declared regarding his Jewish people coming to faith in Jesus:

How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? (Romans 10:14)

Your prayers and support make it happen!
