NEWSLETTER NOVEMBER 2026

STEVEN BARRY KAPLAN (Atlanta, Georgia)
President, Jewish Outreach International

God bless you and thank you for supporting our ministry.
May God richly bless you and yours!
HAPPY THANKSGIVING!

GOD IS FAITHFUL-A young man came over to inspect the dehumidifier system in my basement. His name was such that I had to ask if he was Israeli, and he is! He had grown up in Miami, and since I went to college in Miami, we had a lot to talk about. Unfortunately, when I brought Jesus into the conversation, he just laughed?

An Iranian man delivered food, and I noticed him looking at the ministry van with a great big smile. I asked if he was Jewish, and he said he was Christian. I asked how that came about, and he said he had gone back to Iran and his friend introduced him to Jesus! I heard about the revival in Iran and was so blessed to see the fruits first hand!

DO YOU KNOW THE MESSIAH?-Thanks to Grace & Truth (gtpress.org) for supplying our ministry, over the years, with hundreds of thousands of these Gospel tracts. We never know where they might go or what God did with the people who read them? Mary, a 90 year old woman from Virginia, called me recently. Mary received one of these tracts and wanted to know if she could get more. Mary has no idea where she got it from. Mary mails them to people. I asked if she wants a "***Jesus Loves You***" t-shirt, and she excitedly said yes, and I asked her size and mailed her one as well as the tracts she requested.

FACEBOOK OUTREACH-Someone I minister to is upset because his Jewish co-worker tells him he's not Jewish anymore because he believes in Jesus. I told him the most Jewish thing he can do is believe in the Jewish Messiah. This gave me an idea for the post to the left. So far 170 people liked the post, there were 114 comments made with several going to Jewish people and 14 people shared the post. Hopefully, many others were challenged as well and simply didn't comment.

I joined a local Jewish community group on Facebook, and someone who knows me, suggested they read my Facebook profile before getting to know me!

Shalom Friends & Family!

This October, we had a successful **Mission BarBQ Outreach** at our monthly Oneg. We love to hear wonderful conversations about Spiritual subjects!

We also filled in for a pastor who could not come because of a death in his family. The people asked us to share about **Israel**! Pray for Israel's election results that they can form a stable government.

Pray for the election here in the USA also - for the Lord's Will to be done!

Email is also a ministry - answering Bible questions, plus doing a bit of encouragement to those in need. I have a difficult time keeping up with the emails.

We are **ambassadors** in our building, so we are able to be involved with the **new residents** & help them adjust to their new surroundings. We also invite them to the **Veterans Round Table** and the **Bible Study** & **Oneg**. So many opportunities for ministering to others; what a privilege!

On 1st Responders Day, Eddie walked to the nearby Police Dept, wearing his "Back the Blue" T-shirt & gave them testimony books.

The **coffee shop** here presents some unique advantages. It is a wonderful chance to meet with people from outside the building, as well as within. A messianic believer brought her Jewish niece here to talk with me, & I was able to share Scripture with her. She said she accepted Yeshua 15 years ago, but there has been no evidence of growth in her life. Pray for understanding for her that she truly understands what her identity is in Christ. So many young people are in limbo; they should be encouraged to get under a good teacher and study the **Word of God**. Only then will they know the Will of God in their life & be able to discern good & evil.

Thanks so much for your participation in this outreach! We bless the Lord for your help in building His Kingdom one soul at a time!

Please pray: On Nov. 14 we will be hosting a quiet time of listening to the **365 Names of God on the "I AM" CD.** "Be still and Know that I am God." We also have the Chapel service on Nov. 22. Happy Thanksgiving! We are thankful for you! LOVE,

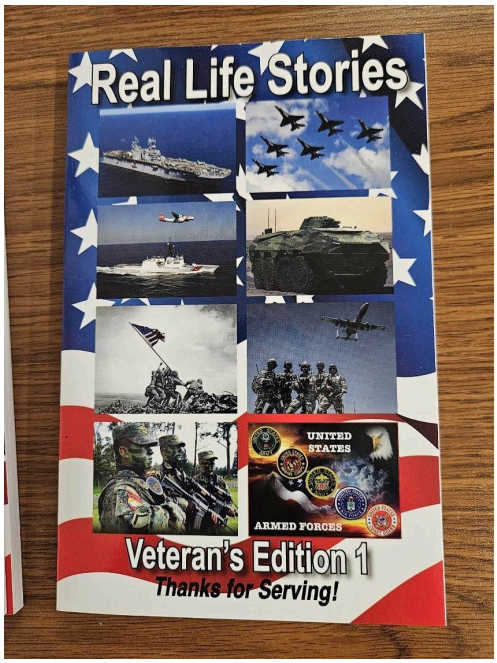
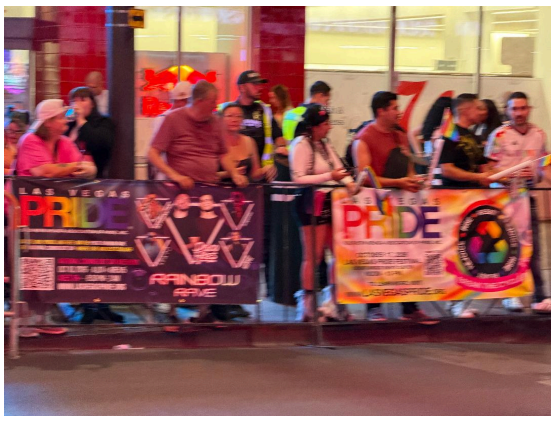
BACK THE BLUE T-SHIRT



TESTIMONY BOOK

RHONDA CROMWICK
(Las Vegas, Nevada)

First Friday was filled with young people like usual. Of course there are folks of all ages. Debbie and I walked by all of the vendors, food trucks etc. handing out tracts and sharing. Sadly, I had more anti-Semitic remarks than I have ever experienced in one night. We did give out SO many gospel tracts. There are always some folks that support the Jewish people and what we are doing out there. I did share with a young man whose mother is Jewish. He moved here from LA and knew about Messianic Judaism. About one hour after we left there was a shooting. Tragically three boys were shot by a teenager and one fifteen-year old boy died ☹ So now the event is on pause until they plan some new rules?



We went to **Fremont Street** knowing that there would be a “Gay pride parade”. It was set up so perfectly for us. The police blocked off the street near us, but would let hundreds of people cross through some barriers when the light changed. We got to hand out many tracts and some bibles. Besides a few rude comments, it was a really good outreach.

We went to the area that we've been standing at across the street from the Bellagio on the **Las Vegas Strip**. It has been a very fruitful spot. We prayed over a man that had just been released from prison. He wanted a suggestion on a good church as well as a bible.

God is SO amazing! Since I have returned from my trip to Israel, I have met more unsaved Israeli's that are open to talk to due to wearing Steve's shirts. We went as a family to a **petting farm/zoo**. I started talking to an Israeli woman who had three young children, her husband, and her mom who was visiting from Israel. She gave me her phone number after chatting for a while. The other night we went to a Harvest amusement play place. Two Israeli young mothers commented on how much they loved my shirt. One of them asked me if I was really Jewish. They are so happy to see the Jewish star displayed in public due to the terrible anti-Semitism that has reared its ugly head all over the world.

She Was Worth the Wait!
"He who finds a wife finds what is good and receives favor from the Lord."
-Proverbs 18:22 NKJV

My wife Rhonda and I met at a small Messianic Congregation in Oahu, Hawaii in 1999. After three days of courting, we got engaged, and married on the beach two weeks later. Seven years earlier, I had asked the Lord to make it very clear who He would want me to marry, and He sure did. We have been serving the Lord together ever since, and now have three grown children and a wonderful granddaughter. Praise God.

Ex-Con Now Leads the Lost to JESUS

Ralph (left side) was in and out of prison, ran with gangs, was a meth addict and drug dealer, but is now set free after giving his life to JESUS. Ralph and his wife Wendy are now faithfully serving the Lord JESUS with us at Venice Beach.

A young man from Maui named Josiah (right side) stopped by our Free Bibles table where Ralph had a chance to minister to him. Praise God that Josiah decided to give his life to JESUS that day. He left with a new Bible and instructions on getting plugged into a good church.

Jews from Australia Get the Gospel

Two feisty Jews from "down under" (left side and middle) stopped by our Venice Beach Free Bibles table to hear what we have to say about JESUS. They were bewildered by our united faith in JESUS as Jews and Gentiles and wanted to know why. One of our ministry team members named Anthony (right side) shared the gospel with they for fifteen minutes! These Australian Jews probably weren't expecting to get the gospel at Venice Beach, which is known as a place where wickedness is flaunted. Another example of seed (the gospel) sown in good soil.

Local Jew Gets the Gospel

Jered (right side) wasn't expecting to run into a fellow Jew who loves JESUS on his visit to Huntington Beach and stopped by our Free Bibles table to inquire. Even though Jered wasn't ready to give his life to JESUS that day, I was able to sow God's seed (the gospel) clearly into his life--Jew to Jew. Please pray that this seed will one day bear much fruit for the Kingdom of God.

Locals Eric & David Say YES to JESUS

While at Venice Beach, local teenagers Eric and David (left side and middle) stopped by our Free Bibles tables where I had a chance to minister to them. They were both open to the gospel as they knew deep down that they were living meaningless, selfish, godless lives and needed to get right with God. Praise God that they both accepted JESUS as their Lord and Savior with joy and thanksgiving. They left with new Bibles and instructions on how to plug into a local church.

GLENN & AMORE OSHER
(Johannesburg, South Africa)

Precious friends. Thank God for another day to praise Abba father. For another month October 2026 in a very hot Johannesburg South Africa.
All the t shirts from Steven Kaplan in Atlanta have a great mission to get precious believers to put them on our bodies and go into the highways and byways in a very Jewish area with the sweet smelling aroma of Messiah Jesus Yeshua.

So far we are 6 wearing different t shirts in our Saturday morning outreaches. We pray for and communicate with 100s of Jews and gentiles as our t shirts spark much attention. In between the cursing we also see many loving Messiah Jesus. Even Cap security. We make it known to CAP we are prayer walking for caps protection, salvation for the criminals, and for crime to come down and salvation of Jew and gentile as we also pick up rubbish and clean the streets and hearts with the blood of Jesus.
Facebook, whatsup ministry to Jew, gentile, Muslim, atheist is very powerful as we go into all the world surfing with the gospel. We shared the gospel with our t shirts all day at Johannesburg Zoo with school kids, Muslims, Jews, atheists etc. Another day we took our 89 yr old Mom to the zoo in a wheel chair. She loved it. It took me a few days to recover with my sciatica nerve challenge and is getting better as I stretch and exercise every day and stay humble in Messiah Jesus. We went to Norwood where a Jewish biker came to create chaos at a Muslim shop with a Palestinian flag outside his Muslim shop. I shared with God's grace in Messiah Jesus with all parties. A Rabbi was there to console the Muslim shop owner and I was there to preach the gospel. Preached the gospel at McDonald's with a Muslim man. As I go to different supermarkets in the Jewish area we strike up many conversations wearing our t shirts.

Sunday mornings outside Aldersgate Methodist church brings many many conversations. This last Sunday I went down to Glenhazel kosher world and preached the good news about how the message on the wall, we want Moshiach now is good, but Jesus came 2000 years ago and he will return again soon with judgement and rewards. Daniel 9v24-27 Daniel 8v14 Daniel 7v9-13 Daniel 12v1-3 Daniel 2v34 Isaiah 53 v2-12 Isaiah 61 Isaiah 58 Isaiah 61. There were 100s of Jews and gentiles running past on their race. A Jewish man said I'm having a bad day at the mostly Jewish shopping centre in Norwood when we got into the lift together. After sharing Messiah Jesus with him he was very encouraged. We take mom to a Bowen therepist this week. Trusting God for miracles. Amore got her car back 2 weeks ago. Then the windscreen had to be changed. Cornerstone men's conference this weekend. Cornerstone has a marriage seminar. We broke up into about 7 tables with cheese boards, crackers and juice while the holy spirit Ruach ha kodesh was ministering to about 7 marriage couples. Thank you for your prayers and support. Still Praying for precious President Donald Trump Elon musk to contact me to help me get my book into the whole world. Abraham accords and the Abrahamic family house in Abu and the whole world. True peace for Abraham's precious family. Answers to my questions Solutions to my problems. Praying I'll MC by the power of the holy spirit at cornerstone church on Sunday. 1.11.26. Praying The holy spirit waters the 100s of seeds that we have sown. To God be all the glory. Amein. Amen.

Shalom. Glenn and Amore Osher
